

Revision of Price for International Private Lease Circuit (IPLC) and General Terms and Conditions for CUHK Service (“General Term”)

Pursuant to its Fixed Carrier Licence, China Unicom (Hong Kong) Operations Limited hereby published the tariffs and terms and conditions under which it will provide the International Private Lease Circuit (IPLC) services.

Installation Charge and Monthly Charges for IPLC (Hong Kong to PRC):

<i>Data Rate</i>	<i>Installation Charge (USD)</i>	<i>Monthly Charge (USD)</i>	
		<i>PoP to PoP Full Circuit</i>	<i>PRC Local Leased Circuit*</i>
2M	2,500	1,640	328
45M	5,000	13,115	3,320
155M	10,000	26,230	7,213

\*Local Leased Circuit refers to In-City circuit connecting between Customer’s PRC local site in Guangzhou, Beijing or Shanghai and China Unicom’s Guangzhou, Beijing or Shanghai gateway.

Remarks:

1. The above tariff does not include any tax applicable in Hong Kong or mainland China, which tax should be borne by the customer.
2. The tariff is subject to minimum one year contact term.
3. Local loop or cross-connects, if applicable, are not included.
